REFERENCE:

(H) In G.O. No. 1774 Press, Revenue, dated 14th October 1926, Government directed the abolition of the substantive posts of Revenue Inspectors and the increase in the number of clerks' posts in each taluk by a number equal to the number of

revenue inspectors' firkas in that taluk. The Collector of South Kanara reports that of the revenue inspectors merged as taluk clerks ten were in the uppergrade and that they were distributed to the six taluks of the district to be borne on the taluk establishments as shown in the margin. As however there were no upper grade men sanctioned for taluk offices prior to the merging of Revenue Inspectors' posts the Collector states that the Revenue Inspectors reverted from the field were attached either to Revenue Divisional Offices or the Collector's office. He adds that this procedure was continued without any audit objection till the receipt of G.O. No. 12 Mis., Revenue, dated 4th January 1928. This order could not be given effect to immediately as the distribution of upper grade men had to be made with due regard to the suitability of each clerk to the particular taluk to which he was to be posted and the matter had consequently to be under correspondence for some time.
